

## Information for Parents: Afternoon Electives 2020

### 1. Introduction

All children attend *Afternoon Elective* classes from 13:30 to 16:15, four days per week. Each class lasts 2.5 hours, with a 15-minute break in the middle. The children and parents can choose which subjects they want to study as they book their course; most last for one week. Some of the Elective classes are limited to certain age ranges in certain weeks – this is for Health & Safety reasons.

Some Electives cost an additional fee.

### 2. Available Electives in 2020
