

Optional Extra Excursions Booking Form 2019

We are offering a few extra trips in 2019. These are optional, and there will still be lots of things for your child to do on these days if they don't want to attend. Please note that we can only confirm that these visits will go ahead once we have reached a minimum number of bookings. You will be invoiced when we have reached that minimum number.

We will arrange transport, lunch/dinner, etc. The group size for each visit is 10-15 students, and 1-2 members of staff will accompany the children on each trip. To book please tick the box(es) in the right column.

Your child's name (Click or tap here to enter text.)
